

MINOR IN HEALTH EDUCATION

The Minor in Health Education is an 18 unit program. The minor complements many major programs offered by other University departments and has been designed for maximum flexibility. Individuals must work with a health education advisor to select appropriate courses. Advisor approval is required for courses not listed below.

All course work used to satisfy the requirements of the minor must be completed with a minimum grade point average of 2.0.

Health Education Minor – 18 units

Required Courses (6 units)

Code	Title	Units
