5 Complementary Studies

All candidates for the Bachelor of Arts degree in Art must complete 12 units of Complementary Studies from courses bearing a prefix other than ART, and not cross-listed with ART.

Students may satisfy this requirement in a variety of ways designed to facilitate timely graduation. Under advisement students may complete 12 units of coursework in a single foreign language, an approved study abroad program, or partial completion of a second major, minor, or certificate program in a related area of study. Related areas include Museum Studies, Design and Industry, Cinema, Music and Dance, Theatre, and Business. Requirements vary for each of the four Art concentrations (Studio, Art History, Art Education, and Studio/Art History) and students are strongly encouraged to work closely with their major advisor toward completion of this requirement.

Students who have earned AA-T or AS-T degrees and are pursuing a similar B.A. degree at SF State are required to fulfill the Complementary Studies requirement as defined by the major department. Students should consult with a major advisor about how transfer units and/or SF State units can best be applied to this requirement in order to ensure degree completion within 60 units.

Note: Students who complete two majors, or a major and a minor, automatically complete the Complementary Studies requirement.

6 Consider taking a class combined with a laboratory or a separate lab to fulfill B3 if not already satisfied.
