

BACHELOR OF ARTS IN MODERN JEWISH STUDIES

The Bachelor of Arts in Modern Jewish Studies allows students to focus on the histories, languages, literatures, and cultures of the Jews as they have negotiated modernity. Consequently, the degree encompasses courses that reflect the particular strengths of Department faculty in Jewish History, American Jewish Studies, Israel Studies, the Holocaust, Judaism, Modern Jewish Thought, and Jewish Literatures. Majors develop a broad background in Modern Jewish Studies as an interdisciplinary project within higher education; moreover, the degree's breadth encourages students to locate Jewish experience in relation to other ethnic, religious, or racial minorities' groups globally, to contrast Jewish experiences both at the nation's margins and in the case of Israel, at its center.

To ensure a useful and meaningful university experience, all majors must consult any one of the department's faculty advisors regularly as they progress through the degree program. Students are also advised to consult with the Advising Resource Center (ARC) for information about General Education and other University degree requirements (<https://advisinglca.sfsu.edu/>).

Program Learning Outcomes

- Students develop interpretive and analytical skills in reading Jewish religious texts.
- Students develop interpretive and analytical skills in reading Jewish literary texts.
- Students gain knowledge of the history and cultures of Jews and Judaism in the ancient, medieval, and modern periods in the Americas, Europe, the Middle East, and North Africa.
- Students gain knowledge of the relationships of Jews and Judaism to other peoples, religions, and cultures in the Americas, Europe, the Middle East, and North Africa.
- Students gain knowledge of the ways that Jews and Judaism illuminate the histories, literatures, religions, and cultures of non-Jews in the world.
- Students gain knowledge of the ways that non-Jewish histories, literatures, religions, and cultures are necessary to understand Jews and Judaism in the world.
- Students find, read, understand, and assimilate primary and secondary research materials.

Modern Jewish Studies (B.A.) – 30 units

The Bachelor's Degree in Modern Jewish Studies requires a total of 30 units. All Modern Jewish Studies majors are expected to take 12 units from the Core Courses, three units of a Culminating Experience, 12 units of Electives, and three units in a GWAR course.

Twelve units of complementary studies are required of all candidates for the Bachelor's Degree in Modern Jewish Studies. These units are courses that have a prefix other than JS and that are not cross-listed with Jewish Studies. One of the recommended ways to fulfill this requirement is to take four Hebrew language courses.

- Courses that fulfill the Core and Culminating Experience requirements must be taken for a letter grade. CR/NC grading is not accepted for Core and Culminating Experience courses.

- Students must earn a grade of C or better in their selected GWAR designated course, and a C– or better in all other required degree courses.

Major Core (12 units)

Select four courses from the following:

Code	Title	Units
JS 280 or JS 301	Introduction to Jewish Studies Judaism, An Introduction	3
JS/I R/PLSI 430	Israeli Democracy: Politics, Institutions, and Society	3
JS/CWL 437/ ENG 533	Holocaust and Literature	3
JS/HIST 449	American Jewish History	3
JS/CWL 480	European Jewish Writers	3
JS 540	Anti-Semitism and Social Justice	3
JS/HIST 332	Ancient and Medieval Jews Among Pagans, Christians, and Muslims	3
HEBR 101 or HEBR 102 or HEBR 201 or HEBR 202	First Semester Modern Hebrew Second Semester Modern Hebrew Third Semester Modern Hebrew Fourth Semester Modern Hebrew	3

Electives (12 units)

Select four JS upper division courses. These can include courses from the major core list. Courses from the major core cannot be double counted to fulfill both the core and elective requirements. A maximum of six units outside Jewish Studies may be counted toward the major with approval of a major advisor.

GWAR Course (3 units)

Select any GWAR course from any discipline or department with approval of a major advisor.

Culminating Experience (3 units)

Select one of the following:

Code	Title	Units
JS 600 or JS 699	Internship Independent Study	3

Complementary Studies

Twelve units of complementary studies are required of all candidates for the B.A. in Modern Jewish Studies. These units are courses that have a prefix other than JS and that are not cross-listed with Jewish Studies. Students can satisfy this requirement by completing a related minor, a second major, studying a pertinent foreign language, or through an approved study abroad program. Complementary studies courses should relate to the Jewish Studies major, as well as deepen and enrich student focus in the major, whether that focus is religion, literature, philosophy, history, social responsibility, or the study of Israel. Such courses are typically found through the College of Liberal & Creative Arts.

Note: Students that complete two majors, a major and a minor, automatically complete the complementary studies requirement.

Students who have earned AA-T or AS-T degrees and are pursuing a similar B.A. degree at SF State are required to fulfill the Complementary

Studies requirement as defined by the major department. Students should consult with a major advisor about how transfer units and/or SF State units can best be applied to this requirement to ensure degree completion within 60 units.

General Education Requirements

Requirement	Course Level	Units	Area Designation
Oral Communication	LD	3	A1
Written English Communication	LD	3	A2
Critical Thinking	LD	3	A3
Physical Science	LD	3	B1
Life Science	LD	3	B2
Lab Science	LD	1	B3
Mathematics/Quantitative Reasoning	LD	3	B4
Arts	LD	3	C1
Humanities	LD	3	C2
Arts or Humanities	LD	3	C1 or C2
Social Sciences	LD	3	D1
Social Sciences: US History	LD	3	D2
Lifelong Learning and Self-Development (LLD)	LD	3	E
Ethnic Studies	LD	3	F
Physical and/or Life Science	UD	3	UD-B
Arts and/or Humanities	UD	3	UD-C
Social Sciences	UD	3	UD-D

SF State Studies

Courses certified as meeting the SF State Studies requirements may be upper or lower division in General Education (GE), a major or minor, or an elective.

American Ethnic and Racial Minorities	LD or UD	3	AERM
Environmental Sustainability	LD or UD	3	ES
Global Perspectives	LD or UD	3	GP
Social Justice	LD or UD	3	SJ

Note: LD = Lower-Division; UD = Upper-Division.

First-Time Student Roadmap (4 Year)

- The roadmaps presented in this Bulletin are intended as suggested plans of study and do not replace meeting with an advisor. For a more personalized roadmap, please use the Degree Planner (<https://registrar.sfsu.edu/degreeplanner/>) tool found in your [Student Center](#).
- In order to choose your English Composition A2 course and your QR/Math B4 course, please complete the online advising activities

at writingadvising.sfsu.edu (<https://writingadvising.sfsu.edu>) and mathadvising.sfsu.edu. Questions? Contact Gator Smart Start (<https://gatorsmartstart.sfsu.edu>).

First-Time Student Roadmap (<http://bulletin.sfsu.edu/colleges/liberal-creative-arts/jewish-studies/ba-modern-jewish-studies/roadmap-i-ii-eng/>)

Transfer Student Roadmap (2 Year)

For students with an AA-T in **English, Global Studies, History, Philosophy, Political Science, or Social Justice Studies.**

ADT Roadmap (<http://bulletin.sfsu.edu/colleges/liberal-creative-arts/jewish-studies/ba-modern-jewish-studies/adt-roadmap/>)

This degree program is an approved pathway (“similar” major) for students earning the ADT in History or Political Science

California legislation SB 1440 (2009) mandated the creation of the Associate Degree for Transfer (ADT) to be awarded by the California Community Colleges. Two types of ADTs are awarded: Associate in Arts for Transfer (AA-T) and Associate in Science for Transfer (AS-T).

Note: no specific degree is required for admission as an upper-division student. However, the ADT includes specific guarantees related to admission and graduation and is designed to clarify the transfer process and strengthen lower-division preparation for the major.

An ADT totals 60 units and in most cases includes completion of all lower-division General Education requirements and at least 18 units in a specific major. (The Biology, Chemistry, and Environmental Science AS-T degrees defer 3 units in lower-division GE area C and 3 units in lower-division GE area D until after transfer.) Students pursuing an ADT are guaranteed admission to the CSU if minimum eligibility requirements are met, though not necessarily to the CSU campus of primary choice.

Upon verification that the ADT has been awarded prior to matriculation at SF State, students are guaranteed B.A. or B.S. completion in 60 units if pursuing a “similar” major after transfer. Determinations about “similar” majors at SF State are made by faculty in the discipline.

Degree completion in 60 units cannot be guaranteed when a student simultaneously pursues an additional major, a minor, certificate, or credential.

A sample advising roadmap for students who have earned an ADT and continue in a “similar” major at SF State is available on the Roadmaps tab on the degree requirements page for the major. The roadmap displays:

- How many lower-division units required for the major have been completed upon entry based on the award of a specific ADT;
- Which lower-division requirements are considered complete upon entry based on the award of a specific ADT;
- How to complete the remaining 60 units for the degree in four semesters.

Students who have earned an ADT should seek advising in the major department during the first semester of attendance.

General Advising Information for Transfer Students

- a. Before transfer, complete as many lower-division requirements or electives for this major as possible.
- b. The following courses are not required for admission but are required for graduation. Students are strongly encouraged to complete these units before transfer; doing so will provide more flexibility in course selection after transfer.
 - a course in U.S. History
 - a course in U.S. & California Government

For information about satisfying the requirements described in (1) and (2) above at a California Community College (CCC), please visit <http://www.assist.org> (<http://assist.org>). Check any geographically accessible CCCs; sometimes options include more than one college. Use ASSIST to determine:

- Which courses at a CCC satisfy any lower-division major requirements for this major;
- Which courses at a CCC satisfy CSU GE, US History, and US & CA Government requirements.

Remedial courses are not transferable and do not apply to the minimum 60 semester units/90 quarter units required for admission.

Additional units for courses that are repeated do not apply to the minimum 60 units required for upper-division transfer (for example, if a course was not passed on the first attempt or was taken to earn a better grade).

Before leaving the last California Community College of attendance, obtain a summary of completion of lower-division General Education units (IGETC or CSU GE Breadth). This is often referred to as a GE certification worksheet. SF State does not require delivery of this certification to Admissions, but students should retain this document for verifying degree progress after transfer.

Credit for Advanced Placement, International Baccalaureate, or College-Level Examination Program courses: AP/IB/CLEP credit is not automatically transferred from the previous institution. Units are transferred only when an official score report is delivered to SF State. Credit is based on the academic year during which exams were taken. Refer to the University Bulletin in effect during the year of AP/IB/CLEP examination(s) for details regarding the award of credit for AP/IB/CLEP.

Students pursuing majors in science, technology, engineering, and mathematics (STEM) disciplines often defer 6-9 units of lower-division General Education in Areas C and D until after transfer to focus on preparation courses for the major. This advice does not apply to students pursuing associate degree completion before transfer.

Transferring From Institutions Other Than CCCs or CSUs

Review SF State's lower-division General Education requirements. Note that, as described below, the four basic skills courses required for admission meet A1, A2, A3, and B4 in the SF State GE pattern. Courses that fulfill the remaining areas of SF State's lower-division GE pattern are available at most two-year and four-year colleges and universities.

Of the four required basic skills courses, a course in critical thinking (A3) may not be widely offered outside the CCC and CSU systems. Students

should attempt to identify and take an appropriate course no later than the term of application to the CSU. To review more information about the A3 requirement, please visit bulletin.sfsu.edu/undergraduate-education/general-education/lower-division/#AAEL.

Waiting until after transfer to take a single course at SF State that meets both US and CA/local government requirements may be an appropriate option, particularly if transferring from outside of California.
