

MINOR IN PHYSICS

Physics Minor – 20-24 units

A minimum of 6 upper-division units are required to complete the minor.

All coursework used to satisfy the requirements of the minor must be completed with a minimum grade point average of 2.0.

Code	Title	Units
PHYS 111	General Physics I	8-12
& PHYS 112	and General Physics I Laboratory	
& PHYS 121	and General Physics II	
& PHYS 122	and General Physics II Laboratory	
or PHYS 220	General Physics with Calculus I	
& PHYS 222	and General Physics with Calculus I Laboratory	
& PHYS 230	and General Physics with Calculus II	
& PHYS 232	and General Physics with Calculus II Laboratory	
& PHYS 240	and General Physics with Calculus III	
& PHYS 242	and General Physics with Calculus III Laboratory	
Upper Division Electives selected on advisement:		12
PHYS 320	Modern Physics I ¹	
PHYS 325	Modern Physics II ¹	
PHYS 370	Thermodynamics and Statistical Mechanics ¹	
PHYS 385	Introduction to Theoretical Physics I ¹	

¹ Recommended
